The objective of the July 15<sup>th</sup> training is to help Consortium volunteers and members best support our senior neighbors when they encounter challenges and obstacles. We'll learn how to spot when a senior is having difficulties and get information on where to go to obtain the appropriate support or resources to help seniors overcome specific challenges.

The July 22<sup>nd</sup> training is a guide to what's available in the community to help seniors. We'll learn about resources for financial aid medical matters, health, transportation, veterans and social and legal community services.

**Please RSVP to [info@eastrockcreekvillage.org](mailto:info@eastrockcreekvillage.org)**

**Light Refreshments will be provided!**
